

### Parent and Primary Caregiver Information Sheet for Home Access

Delaware Comprehensive Assessment System (DCAS) student scores can be viewed through Home Access a web-based database for student information including grades, homework, and other information. Parents must have their own user name and password. The link is: -

<http://hac.doe.k12.de.us/homeaccess/>

There are several tabs available within Home Access, including student test scores, available in the Test Scores tab:

The DCAS scores will be displayed similar to the screen below:

**WOODBRIDGE SCHOOL DISTRICT**  
Est. 1969
